2025 AUTHORITY BUDGET NARRATIVE AND INFORMATION SECTION

2025 AUTHORITY BUDGET MESSAGE & ANALYSIS

Logan Municipal Utilities Authority

FISCAL YEAR: February 01, 2024 to January 31, 2025

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. Complete a brief statement on the Fiscal Year 2025 proposed Annual Budget and make comparison to the Fiscal Year 2024 adopted budget for each Revenues and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

Industrial connection fees are expected to increase based on projects approved in the LTMUA sewer service area. Surcharges and Fines/Penalties are expected to increase due to no more capacity available for current users to purchase for increased production in their facilities. The Interest & Penalties line item that was added in this budget was previously included in Service Charge Revenues. The LTMUA temporarily stopped accepting all Trucked In Waste and then resumed only Holding Tank. Salary and Wages increased due to the need for additional personnel. Fringe benefits increased due to the increase in the State Health Benefits Plan premiums and the increase in personnel. Debt service increased due to the Facility Improvement Project scheduled for permanent financing through NJIB in 2024.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Program.

Planned residential projects in Woolwich Twp as well as construction projects in the Pureland Industrial Park and on the Route 322 corridor will result in new users to the Authority's system. This will increase connection revenues and service charge revenues.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.) If the Authority's budget anticipated a use of Unrestricted Net Position, this question must be answered.

The Authority plans to use Unrestricted Net Position for the Logan Township appropriation and to pay for plant improvement projects.

Answer all questions below using the space provided. Do not attach answers as a separate document.

4. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or shared service payments, **pilot** payments, or other types of contracts or agreements. (Example - To provide police services to the Authority, etc. and explain the reason for the transfer (i.e. to balance the County/Municipal Budget, etc.)

N/A

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

The proposed budget does not reflect a deficit.

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording <u>Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75</u>) and similar types of deficits in the audit report. How would these deficits be funded?

FISCAL YEAR: February 01, 2024 to January 31, 2025

Answer the question below using the space provided.

6. Attach in FAST a schedule of the Authority's existing rate structure (connection fees, parking fees, service charges, etc.) <u>if it</u> <u>has been changed since the prior year budget submission</u> and a schedule of the proposed rate structure for the upcoming fiscal year. Explain any proposed changes in the rate structure and attach the resolution approving the change in rate structure, <u>if applicable</u>. (If no changes to fees or rates, indicate answer as "<u>Rates Are Staying The Same</u>".

The Connection Fee was increased from \$4,895.00 to \$5,322.00 effective May 23, 2023 per resolution #26-23. Otherwise the rates are staying the same.
