

INITIAL REQUEST TO CONNECT APPLICATION "IRCA"

I, the undersigned APPLICANT, request the Logan Township Municipal Utilities Authority ("LTMUA") to provide Wastewater Reclamation Facility ("WRF") Services by issuing/reserving EDU Connection Permits to connect my site to its ETF-1 500,000 gpd addition to the WRF. I understand my request to reserve and/or issue EDU connection permit(s) to connect my site to its WRF shall be processed according to the ALLOCATION POLICY RULES AND REGULATIONS ("APRR"), as amended. I further understand a current \$5,528.00 connection fee, or the one in effect at the time a connection permit is issued, shall be paid for each EDU connection unit allocated to the following property:

§ 1. **APPLICANT INFORMATION**

Name: _____

Address: _____

Phone #: _____

Fax #: _____

Email: _____

§ 2. **FACILITY/BUILDING OWNER INFORMATION**

Name: _____

Address: _____

Phone #: _____

Fax #: _____

Email: _____

§ 3. **PROPERTY CONNECTED or to be CONNECTED**

Address: _____

Tax Block: _____ Lot: _____

Description of Project: _____

§ 4. **EDUs**

Current EDU(s) Issued: _____

EDU(s) to be acquired: _____

Total EDUs for site: _____

§ 5. OTHER REQUIRED GOVERNMENT PERMITS

- 5.1 Is LPA approval required to connect the site requested? **Circle: Yes or No.** If required, attach the LPA Approval Resolution with documents identified in the Resolution.
- 5.1.1 If the LPA Approval Resolution required is not attached, the LTMUA will not process this application until the LPA approval Resolution in its entirety is attached to this Initial Request application.
- 5.2 Is a TWA approval required to connect to the site requested? **Circle: Yes or No.** If required, attach the completed TWA request for LTMUA endorsement of the TWA.
- 5.2.1 If the TWA is required and the completed TWA request for LTMUA endorsement is not attached, the LTMUA will not process this application until the APPLICANT's LTMUA TWA endorsement application is attached to this Initial Request
- 5.3 Attach a list of all other government permits or approvals required for this project.
- 5.3.1 For each permit approval, state whether the permit/approval has been granted, denied, pending or not applied for by APPLICANT. If pending, include the application or permit number assigned by the government agency.

§ 6. PROCESSING AFTER DELIVERY OF COMPLETED IRCA APPLICATION

- 6.1 Upon completion and delivery of this IRCA Form, (including attachments,) to the S/LO, the LTMUA shall use the information to arrange for drafting the appropriate contract to reserve and/or connect.
- 6.2 After the LTMUA drafts the contract, it will send it to the APPLICANT for review and signing by the APPLICANT and a Witness.
- 6.3 After the signed contract prepared by the LTMUA is delivered to the LTMUA BMgr, the contract shall be placed on the Agenda for review and approval by Resolution of the LTMUA Board adopted at its next regularly-scheduled meeting held at least ten (10) business days after the signed contract was delivered to the BMgr.
